**C. DEFINITION OF TERMS USED TO IDENTIFY THE PROJECT REVIEW STATUS IN THE QUARTERLY STATUS REPORT**

**SCREENING**

- EAB Project is undergoing review by the Environmental Assessment Branch to determine if it is a 'development' as defined under *The Environmental Assessment Act*.
- EARP Project is undergoing review by the Environmental Assessment Branch and members of the Saskatchewan Environmental Assessment Review Panel (SEARP) to determine if it is a 'development' as defined under *The Environmental Assessment Act*. In addition, copies have been forwarded to the Canadian Environmental Assessment Agency (CEAA) as part of the Canada/Saskatchewan EA Harmonization agreement for CEAA to determine if the *Canadian Environmental Assessment Act* applies.
- NFS Project has been reviewed and the proponent has been advised that no further screening under *The Environmental Assessment Act* is required. (i.e., an opinion has been provided to the proponent that based upon the information they have provided the project does not meet the definition of 'development' under *The Environmental Assessment Act*). The proponent may now proceed with application for all other regulatory permits/approvals.

**ENVIRONMENTAL IMPACT ASSESSMENT**

- EIA Proponent has been advised that their project is a 'development' as defined under *The Environmental Assessment Act* and that they will be required to conduct an Environmental Impact Assessment and seek ministerial approval before proceeding with their project. Studies are being conducted; technical and/or public reviews are in progress.
- Sec16 Proponent of a project that has received a ministerial approval to proceed has now proposed a change in the 'development' that does not conform to the terms and conditions contained in the original approval and must obtain ministerial approval under Section 16 of *The Environmental Assessment Act* before proceeding with their change.
- COM EIA has been completed and a Ministerial decision has been reached on the project this includes decision under Section 16 of *The Environmental Assessment Act* (changes to a previously approved development).

**OTHER**

- DEF Project has been withdrawn from the environmental assessment review process by the proponent.
- INACT The project has been placed in inactive status by the project manager due to no correspondence for over a year.
